Comments:													
1. Member organizations should receive a warning after 30 daysof failure to pay dues and terminated from the partnership after 60 days													
Some times it is hard to get 51% for a quarum so I would go with a number that would be more reliable for meeting purposes.													
Item Vote 6-I might suggest this one be reworded 'A quorum shall be a majority of members that are in attendance.'													
My commen (KWC)t: Eletion for two years with so much turnover may be sometimes challenging, but of course, not impossible.													
My comment (kwc): I agree that it will be pretty hard at times to get 51% for a quorum, but then again, with only 4 meetings a year that may prove to be less difficult than when we had 6 meetings a year + Tech Talks the other 6 months.													
My Comment(kwc): I would say that voting in absence may encourage even more people to stay home. I would encourage being able to send someone in your place, instead of electronically.
